

Ruby - Feature #21275

Update to Unicode 17.0

04/19/2025 01:34 AM - duerst (Martin Dürst)

Status:	Closed	
Priority:	Normal	
Assignee:	ima1zumi (Mari Imaizumi)	
Target version:	4.0	
Description		
Unicode 17.0 is currently in alpha. Beta is planned for late May, release for September 2025. We just updated to Unicode 16.0, so we can start testing with alpha/beta.
