

Ruby - Feature #2523

checking out latest sources from a branch

12/24/2009 03:06 PM - Anonymous

Status:	Closed	
Priority:	Normal	
Assignee:		
Target version:	1.9.1	
Description =begin What's the proper procedure for checking out that latest sources from the ruby 1.9.1 branch as well as the 1.9.2? It seems the trunk is Ruby 1.9.2 by default. =end		

History

#1 - 12/24/2009 03:46 PM - nobu (Nobuyoshi Nakada)

- Status changed from Open to Closed

=begin
svn co http://svn.ruby-lang.org/repos/ruby/branches/ruby_1_9_1
=end

#2 - 12/27/2009 10:06 PM - yugui (Yuki Sonoda)

Checkout it from http://svn.ruby-lang.org/repos/ruby/branches/ruby_1_9_1

Thank you.
