

Ruby - Bug #13092

Interpreter Bug

01/01/2017 08:15 PM - marceloboeira (Marcelo Boeira)

Status:	Closed	
Priority:	Normal	
Assignee:		
Target version:		
ruby -v:	ruby 2.4.0p0 (2016-12-24 revision 57164) [x86_64-darwin16]	Backport: 2.2: UNKNOWN, 2.3: UNKNOWN, 2.4: UNKNOWN
Description You may have encountered a bug in the Ruby interpreter or extension libraries. Bug reports are welcome. For details: http://www.ruby-lang.org/bugreport.html		

History

#1 - 01/01/2017 09:03 PM - marceloboeira (Marcelo Boeira)

The same project works with ruby 2.3.1.

How to reproduce it?

I have no idea what is causing the bug,

The rake task "channels:synchronize" for this repo is causing it, only with ruby 2.4.0, the 2.3.1 is fine!

Repo: <http://github.com/marceloboeira/feedcast>

I have tried to isolate the problem, but before my rescue is called the ruby error raises, so I am inclined to believe it must be in a gem code.
